

2019 Spring Conference Information

To: MCCTA Members

From: Randy Gooch, MCCTA President
Bob Larivee, PD Director

Re: February 2019 Spring Conference

Date: Fall 2018

Our MCCTA 2019 Spring Conference will be held from Tuesday February 12th through Thursday at noon February 14th, 2019. The location will be in Jefferson City, MO at the Capitol Plaza Hotel.

There will be a variety of sessions addressing issues important to us. Particularly, the conference will provide the platform to interact with the stakeholders for Career and Technical Education nationally and in Missouri. In addition, this year we continue to blend our MoACTE/MCCTA Legislative activity into our conference.

Additionally, we will build on our work with implementing exemplary programs and services. We will continue to utilize our *national, state & regional leaders* to provide us with sessions that we can really use back at our schools!

This conference will be very applicable for all our members including set-aside sessions for our clusters: secondary, post-secondary and comprehensive high schools.

Sleeping Guest Room Information at the Capitol Plaza Hotel (Specify the MCCTA rates):

- Single guest rooms are available at a rate of \$95/night.
- Double guest rooms are available at a rate of \$95/night.
