

# ***MCCTA*** ***Members*** **SUMMER CONFERENCE IS ALMOST HERE!**

Our Summer Conference may seem far away, yet here I am telling you to be sure to reserve your sleeping room soon. As you know, our headquarter hotel is the Doubletree and if you wait, our block of rooms may fill up!

Below is the information on how to book your room through the Doubletree link. Please take a few minutes this week to book your room and insure you are in our headquarter hotel.

Your guests can use the booking link below for MOACTE in July. Please let your guests know that this booking link will be available until the cut-off date of 06/29/18, or until all the rooms are reserved, whichever comes first.
